This remedy, so extensively known, and so unqualinedly endorsed by the Medical Faculty is offered to the public as unequalled by any other in the treatment of Rheumatism and Neuralgia, no matter of how long standing or how severe. Patients who had for years drawn a miserable existence, have by an occasional dose of this "Baim of Gilead," been restored to health and comfort after all the usual remedies and nostrums had been tried and found useless. Its surprising effects have been experienced by thousands, and never known to fail. It requires no restrain from business or pleasure, and may be used by those of the most delicate constitutions as a strict purifier of the blood, which is so very essential in the foundation of good health.
